## Mufti Mania 2008 raised \$21 000 for Rulna, Papua New Guinea

The New Zealand Catholic Primary Principals' Association and Caritas Aotearoa New Zealand invites all Catholic primary schools to participate in Stage 3 of this development in 2009 to ensure Rulna, a remote village in Papua New Guinea, receives all the classrooms and resources it needs to fully establish its school. Our aim is to raise at least another \$25 000 this year with your help, support and generosity. Please join us in this worthwhile national fund raising effort for our Pacific neighbours.
